Prescription Policies

All patients must agree to the following Pain Medication and Refill Policy in which they:

- Will keep all appointments as recommended.
- Agree to allow 48 hours for prescription refills.
- Understand that prescription refills requested after 4:00 p.m. will not be seen until the next working day.
- Understand that a follow-up visit may be required from their physician in order to obtain a refill.
- Agree to take all medication exactly as instructed and are not allowed to change the dosage amounts or scheduled time to take the medication without first speaking to their physician.
- Understand that pain medications will not be phoned in after-hours or on weekends as the on-call physicians do not have access to patient records at those times.
- Understand that MNG will not refill prescriptions that have been lost, stolen or otherwise misplaced.
- Will not combine any narcotic medication with the consumption of alcohol.
- Understand that they may be terminated from the practice with 30 days notice for noncompliance in the taking of their medications.
- Are aware that they will be terminated from the practice immediately if they:
 - Obtain narcotics from any other physician while under our care.
 - Give, trade or sell medications to others.
 - Alter or forge a prescription (*this is a felony and will be reported*)
- Understand that the physician may refuse to prescribe pain medication if the patient does not agree to these terms.

Prescription Refill Procedure

If you require a refill for your prescription before your next scheduled appointment, please call your pharmacy and they will fax a refill request directly to us. Our fax number is 215-938-7125.
